0.227 264

The image is a horizontal composition of three distinct scenes. The top half shows a calm, blue-grey sea under a pale, hazy sky. In the background, a range of dark, silhouetted mountains stretches across the horizon. The bottom half of the image shows a close-up, low-angle view of a paved surface, likely a promenade or boardwalk, with light-colored rectangular tiles and dark expansion joints receding into the distance.

The background image is a landscape photograph. It features rolling green hills in the mid-ground, with some areas appearing more rugged or rocky. In the far background, there are more mountain ranges, some of which are shrouded in a light mist or haze. The sky is a pale, warm yellowish-green. In the foreground, there is a calm body of water, possibly a lake or a wide river, which reflects the light from the sky. The overall color palette is soft and natural, with greens, yellows, and greys.

An aerial photograph of a coastal landscape. The foreground is a flat, light-colored surface, possibly a beach or a dry lake bed. In the middle ground, there is a body of water with varying shades of blue and turquoise, indicating different depths or seabed compositions. To the right, a sandy peninsula or beach area is visible, with some low-lying vegetation. The sky is filled with soft, white clouds, and the overall lighting suggests a bright, sunny day.

SWIVEL

BRANDON
